On The White House

## BECOME A 2023 SPONSOR

We're so grateful for what our sponsors just like you have helped us accomplish during the 2023 Black Mothers March on the White House. From funding the "Beyond the Veil" Art Activation, to covering the cost of march participants travel, room and board. We are immensely thankful to our past, present and future sponsors. The reality is with your help we can do so much more!

## WE ARE THE SOLUTION!

The Black Mothers March on the White House is a coalition of black-led organizations that have been involved in the struggle to rescue our children from the custody of the State. We exist to expose the systematic attack on black women and the black family by the U.S. government.
